

# Rosemount High School Cross Country

To parents and boosters,

Our program tries to do many different things to have a successful team. Many of these things are not covered by the school's budget. These things include: t-shirts for our Alumni race, Runner of the week t-shirts, an end of the year video, prizes at our fall camp, supplies for our Alumni race and the Irish Invitational, end-of-the-season awards, among many other little things that come up throughout the season.

In the past we have avoided any kind of specific fundraiser and have relied on the generosity of parents and boosters in giving small monetary donations. We feel most parents would rather give a small amount of money, if possible, rather than sell things to neighbors/family or devote many hours at a particular fundraiser. We will try to do that again this year. This is strictly a voluntary donation and is by no means a requirement or an expectation to be on our team. We understand that many families are hard pressed financially, particularly at this time of the year.

If during the season, you find it possible to donate to the cross-country program, simply complete the form below and mail it to:

Chris Harder  
3335 142<sup>nd</sup>. St. W.  
Rosemount High School  
Rosemount, MN 55068

All checks can be made out to Rosemount Cross Country

Thanks for your generosity.
